

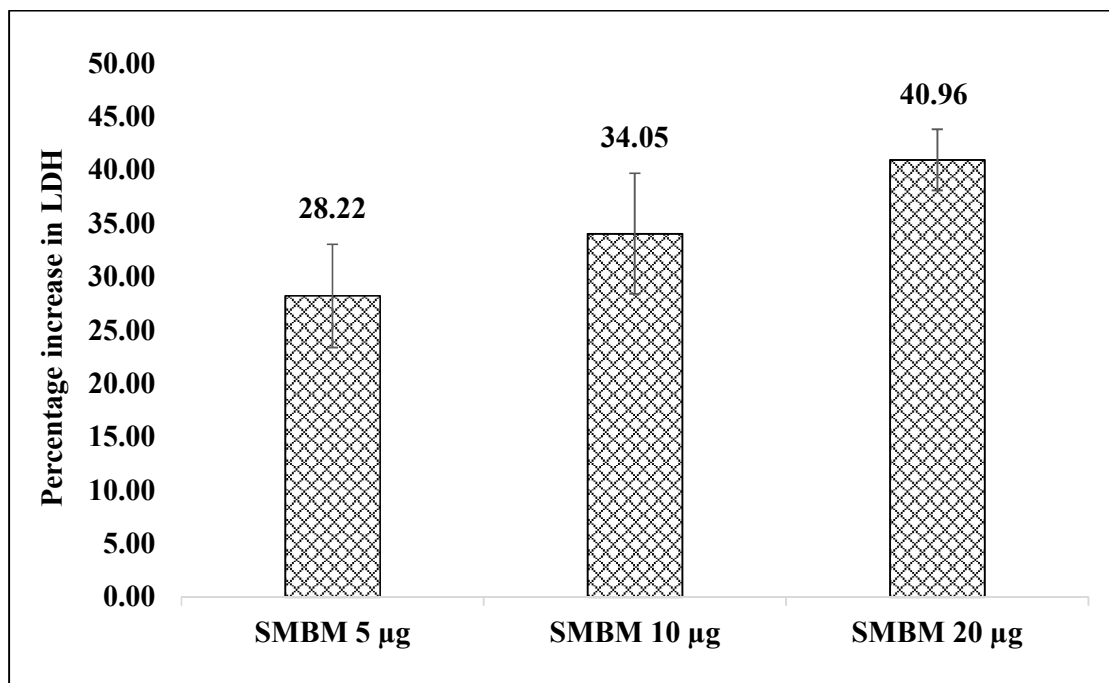

Figure S1. Percentage decrease in ATP proliferation treated with SMBM extract

The data represent the mean \pm SEM. SMBM- *S. mundagam* bark methanol extract

Figure S2. Percentage increase in LDH content treated with SMBM extract

The data represent the mean \pm SEM. SMBM- *S. mundagam* bark methanol extract

Figure S3. MCF-7 cellular viability treated with SMBM extract

The figure represent dose dependent cell death induced by the SMBM extract. SMBM- *S. mundagam* bark methanol extract
