

## Supplementary Materials

**Table S1.** Catalog of all specimens deposited at the NNHC, HUI including Type specimens.

| Specimen ID    | Family        | Scientific Name                            | Specimens | Year | Month    | Day | Locality                           | Region                 | North | East  | Collectors     |
|----------------|---------------|--|-----------|------|----------|-----|------------------------------------|------------------------|-------|-------|----------------|
| HUIJINVPSE 567 | Cheliferidae  | <i>Dactylochelifer pallidus</i>            | Type      | 1940 | October  | 27  | Hula                               | Galil                  | 33.07 | 35.6  |                |
| HUIJINVPSE 571 | Cheliferidae  | <i>Rhacochelifer corcyrensis bicolor</i>   | Allotype  | 1951 | May      | 4   | Jerusalem                          | Judea                  | 31.77 | 35.21 | Wahrman J. W.  |
| HUIJINVPSE 570 | Cheliferidae  | <i>Rhacochelifer corcyrensis bicolor</i>   | Type      | 1957 | August   | 16  | En Gedi                            | Dead Sea               | 31.47 | 35.39 | Wahrman J. W.  |
| HUIJINVPSE 568 | Cheliferidae  | <i>Rhacochelifer longeuungiculatus</i>     | Type      | 1944 | March    | 19  | En Gedi                            | Dead Sea               | 31.47 | 35.39 | Steinitz       |
| HUIJINVPSE 569 | Cheliferidae  | <i>Rhacochelifer peculiaris latissimus</i> | Type      | 1944 | January  | 7   | Betlehem                           | Judea                  | 31.71 | 35.2  | Haas, Steinitz |
| HUIJINVPSE 565 | Chernetidae   | <i>Nudochernes spalacis</i>                | Type      | 1953 | March    | 24  | Jerusalem                          | Judea                  | 31.77 | 35.21 |                |
| HUIJINVPSE 557 | Chthoniidae   | <i>Ephippiochthonius sacer</i>             | Holotype  | 1948 |          |     | Jerusalem                          | Judea                  | 31.77 | 35.21 | Theodor        |
| HUIJINVPSE 563 | Geogarypidae  | <i>Geogarypus pulcher</i>                  | Holotype  | 1944 | March    | 16  | Kfar Mallal                        | Sharon                 | 32.17 | 34.89 | Moscona        |
| HUIJINVPSE 564 | Geogarypidae  | <i>Geogarypus shulovi</i>                  | Holotype  | 1945 | March    | 13  | Dalia                              | Samaria                | 32.59 | 35.07 | Shulov A.      |
| HUIJINVPSE 560 | Hesperolpidae | <i>Calocheirus atopus</i>                  | Type      | 1944 | March    | 17  | Horvot Mezada Plateau              | Judea                  | 31.31 | 35.36 | Steinitz       |
| HUIJINVPSE 561 | Hesperolpidae | <i>Calocheirus atopus</i>                  | Allotype  | 1952 | March    | 24  | Nahal Lavan (= Wadi Abyad)         | Negev                  | 30.95 | 34.39 | Wahrman J. W.  |
| HUIJINVPSE 562 | Hesperolpidae | <i>Cardiolum stupidum</i>                  | Type      | 1953 | May      | 5   | Aqua Bella (En Hemed)              | Judea                  | 31.8  | 35.13 | Wahrman J. W.  |
| HUIJINVPSE 558 | Menthidae     | <i>Paramenthus shulovi</i>                 | Type      | 1959 | March    | 11  | Be'er Sheva - Yeruham road (24 km) | Negev                  | 31.05 | 34.84 | Shulov A.      |
| HUIJINVPSE 559 | Olpidae       | <i>Halominniza aegyptiaca litoralis</i>    | Type      | 1947 | March    | 21  | Aqaba gulf                         | Arava                  | 29.54 | 34.97 | Shulov A.      |
| HUIJINVPSE 566 | Withiidae     | <i>Nannowithius wahrmani</i>               | Type      | 1952 | March    | 27  | Nahal Lavan (= Wadi Abyad)         | Negev                  | 30.95 | 34.39 | Wahrman J. W.  |
| HUIJINVPSE 746 | Atemnidae     | <i>Atemnus</i>                             | 1         | 2014 | March    | 10  | Ein Prat Shever cave               | Judean Desert          | 31.84 | 35.31 | Aharon S., EGR |
| HUIJINVPSE 709 | Cheiridiidae  | <i>Apocheiridium</i>                       | 1         | 2018 | July     | 31  | Sela cave                          | Judea desert           | 31.25 | 35.23 | Aharon S.      |
| HUIJINVPSE 832 | Cheliferidae  | <i>Chelifer cancroides</i>                 | 1         | 2022 | April    | 21  | Pardes Hanna                       | Emek Hefer             | 32.48 | 34.97 | Warburg S.     |
| HUIJINVPSE 701 | Cheliferidae  | <i>Chelifer cancroides</i>                 | 2         | 1963 | April    | 28  | Lahav                              | Negev                  | 31.38 | 34.86 | Levy G. L.     |
| HUIJINVPSE 739 | Cheliferidae  | <i>Chelifer cancroides</i>                 | 1         | 2021 | March    | 23  | Givat Bashit, Asseret              | Shfelat Yehudah        | 31.84 | 34.74 | Shacham B.     |
| HUIJINVPSE 364 | Cheliferidae  | <i>Chelifer cancroides</i>                 | 1         | 1944 | April    | 21  | Jerusalem                          | Judea                  | 31.77 | 35.21 |                |
| HUIJINVPSE 703 | Cheliferidae  | <i>Chelifer cancroides</i>                 | 1         | 2022 | January  | 3   | Jerusalem Givat Ram                | Judea                  | 31.77 | 35.2  | Avrech O.      |
| HUIJINVPSE 738 | Cheliferidae  | <i>Chelifer cancroides</i>                 | 1         | 2022 | February | 22  | Jerusalem Givat Ram                | Judea                  | 31.77 | 35.2  | Avrech O.      |
| HUIJINVPSE 67  | Cheliferidae  | <i>Chelifer cancroides</i>                 | 1         | 1945 | August   | 9   | Jerusalem - Jericho                | Dead Sea               | 31.87 | 35.46 | Shulov A.      |
| HUIJINVPSE 752 | Cheliferidae  | <i>Chelifer cancroides</i>                 | 1         | 2022 | February | 24  | Beer Sheva Beehive                 | Negev                  | 31.31 | 34.79 | Phavtulov J.   |
| HUIJINVPSE 63  | Cheliferidae  | <i>Dactylochelifer kussariensis</i>        | 3         | 1944 | February | 19  | bank of river Na'aman              | Northern Coastal Plain | 32.91 | 35.09 | Moskona        |
| HUIJINVPSE 60  | Cheliferidae  | <i>Dactylochelifer pallidus</i>            | 1         | 1940 | April    | 15  | Hula                               | Hula Valley            | 33.07 | 35.6  |                |
| HUIJINVPSE 62  | Cheliferidae  | <i>Dactylochelifer pallidus</i>            | 1         | 1940 | April    | 26  | Hula                               | Hula Valley            | 33.07 | 35.6  |                |
