Gynecology, Villa Sofia Cervello
Hospital, University of Palermo,
90146 Palermo, Italy

Message from the Guest Editors

This Special Issue aims to provide an update about the current state of the art in the diagnosis management, treatment and outcomes of endometrial cancer in reproductive age regarding fertility, from basic science to translation approach. Topics of interest for this Special Issue include, but are not limited to, the following :

Etiology and pathogenesis of endometrial cancer in fertile women;

Biomolecular and genetic prognostic factors of endometrial cancer (EC);

Fertility-sparing approach in EC;

Oocyte vitrification and fertility preservation;

Stem cells as therapy for EC;

Fertility preservation approach in women affected by endometriosis.

Deadline for manuscript
submissions:

30 September 2024

Message from the Editor-in-Chief

Biomedicines (ISSN 2227-9059) is an open access journal devoted to all aspects of research on human health and disease, the discovery and characterization of new therapeutic targets, therapeutic strategies, and research of naturally driven biomedicines, pharmaceuticals, and biopharmaceutical products. Topics include pathogenesis mechanisms of diseases, translational medical research, biomaterial in biomedical research, natural bioactive molecules, biologics, vaccines, gene therapies, cell-based therapies, targeted specific antibodies, recombinant therapeutic proteins, nanobiotechnology driven products, targeted therapy, bioimaging, biosensors, biomarkers, and biosimilars. The journal is open for publication of studies conducted at the basic science and preclinical research levels. We invite you to consider submitting your work to *Biomedicines*, be it original research, review articles, or developing Special Issues of current key topics.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within *Scopus*, *SCIE (Web of Science)*, *PubMed*, *PMC*, *CAPLus / SciFinder*, and other databases.

Journal Rank: JCR - Q1 (Pharmacology and Pharmacy) / CiteScore - Q2 (*Medicine (miscellaneous)*)
