Dear Colleagues,

This Special Issue of *Catalysts* is dedicated to recent advances in the research areas of electrocatalysts and electrochemical reactions and comprises a diverse selection of exclusive papers by the Editorial Board Members (EBMs). It focuses on highlighting recent interesting investigations conducted in the laboratories of our section’s EBMs and represents our journal as an attractive open-access publishing platform for research data into electrocatalysts and electrochemical reactions.

Deadline for manuscript submissions:

closed (31 January 2024)
